# Other Ways to Clean Your Cabinets:

The Harrisonburg-Rockingham Community Services Board (HRC SB) offers **Medication Deactivation Packets** to the public, **free**. Simply visit the front desk and ask one of our staff about our options:

**1241 Main Street**  
**Harrisonburg, VA 22801**

## **DO NOT FLUSH MEDICATION**

Our water treatment systems are not sophisticated enough to syphon medication from the water supply.

Please use one of the options mentioned on this postcard to safely neutralize and dispose of medication!

# Safe Storage

It is important to safely store medications, and to regularly clean your cabinets of unused or expired medication. For free resources, visit the HRC SB and ask about our Med Lock Boxes!
